A note from the Pastor

We have moved around more times than I'd like. Since Hannah and I were married in 2006, we have lived in seven different houses in seven different cities serving six different churches. And with each move, we have felt the awkwardness of living in a place that doesn't feel like home. Because many of the moves were quick, we have lived in some houses that never felt like home. Our one exception has been Robinson, where we felt at home almost immediately!

The challenges of living away from "home" do not only apply to cities and houses. The Bible tells us that no matter where a Christian lives on the entire planet, he is not home. Philippians 3:20 says, *"But our citizenship is in heaven, and from it we await a Savior, the Lord Jesus Christ."* This world is not our home—we are aliens in it.

How does our heavenly citizenship affect our earthly living? Unfortunately, it typically doesn't. We become comfortable in our conditions and live as if there is no eternal home. Jesus himself warned that focusing too much on an earthly life robs us of blessings in our eternal life.

So how do we adjust our living in light of our heavenly citizenship? Our March sermon series is entitled "Living as Citizens of Heaven" and will show us how God's Word shapes our eternal perspective. I hope that you'll join us as we look beyond our circumstances to find our eternal, perfect home.

We will be publishing the newsletter bimonthly. the next newsletter will be In May for May and June

Collecting \$ for hats & gloves for Lincoln Grade School

This school year FBC handed out 53 sets of hats and gloves to students in need. Our supply is dwindling and we need to build it back up. We will be collecting monetary donations to buy more hats and gloves.

You can bring your donation by the church office or place it in the offering plate on a Sunday morning. Be sure to clearly mark that your donation is for Hats & Gloves.

Jonathan and Joanna Liggett

Missions
Spotlight

Jonathan and Joanna Liggett and their two children are missionaries in Guatemala through Baptist Bible Fellowship International Mission Board. Through our Global Missionary giving (Faith Promise Offering), we send \$100 per month to support them there.

The Liggetts are currently on furlough in the United States and are visiting new and supporting churches. They ask that we pray for safe travels, homeschooling the children while they are on the road, new partners in the ministry, their ministry of encouragement, and the development of disciples and leaders in their church plant in Guatemala.

Cooper Family

Missions
Spotlight

Mike and Brenda Cooper, along with their daughter Mariel have been serving in Auckland, New Zealand, for the past several years. FBC supports the Cooper Family through our Global Missions (Faith Promise) offerings.

Mike serves as pastor of Waitakere Bible Church. Mike reports that ministry is going well. A couple named Philip and Susannah will begin helping with the ministry at WBC the beginning of May and will rely upon financial support, including part-time employment.

WBC Family Camp was January 24-27 at Cooper's Beach Christian Camp, a four hour journey north. This was a time of God growing the church together in ministry and life. Kidz Klub will begin again at the end of February. Mike asks that we pray for their preparation and the hearts of the families they will be reaching out to this year.

"We are so grateful for your prayers for our family over the years and especially for Brenda. Her disease is progressing much faster now and we truly covet your prayers. Brenda still remembers The Lord and has a heart for prayer.
