### August 26-29 Memphis Mission Trip

There have been a million excuses not to serve in the past 18 months. A pandemic forced us to severely limit human contact. As places started opening up, there has been caution not to rush too fast into activities. New habits of sheltering in place are difficult to break. And now that life has started to return to "normal," a plethora of longed for activities distract us from a mundane life of service.

Our culture says "get back to normal" with our activities we've missed. It simultaneously says, "be cautious and slow" with church and Christian service. We cannot follow this message! It's time to fully engage the world with the gospel.

Church services have completely opened back up for First Baptist. We strongly encourage in person worship for those who physically can attend. We have also begun activities of service, worship, and fellowship. Our Vacation Bible School taught over 40 elementary kids attributes of God that led them to the salvation message. Our middle and high school students will be going to Mission Camp in July. The August calendar is filling up quickly including a concert from the signing duo Out of The Dust and a mission trip to Memphis, Tennessee. We continue to partner with Ark of the Covenant Soup Kitchen and will be learning how to partner with a crisis pregnancy organization in the coming weeks.

There are a ton of service needs within our own church as well. Children and nursery volunteers among our greatest needs. How will you use your gifts to serve at First Baptist? What are some ways that you can build the Kingdom of God with your church family? I would love to hear what you are passionate about and how we can help you serve faithfully in the coming months.
